

From Alcoholics Anonymous

Page 28: "We, in our turn, sought the same escape with all the desperation of drowning men.

What seemed at first a flimsy reed, has proved to be the loving and powerful hand of God. A new life has been given us or, if you prefer, "a design for living" that really works."

Conference Preamble

The Capital of Texas Conference is an annual AA conference which includes Al-Anon participation. In accordance with AA's fifth tradition, the conference has but one primary purpose - to carry the AA message to the alcoholic who still suffers. This primary purpose is carried out through meetings, events, and fellowship animated by the spirit of service and the necessity of "absolutely insisting on enjoying life".
